

We have identified three public parking facilities within walking distance of the rally. The map on the NJFB website (<http://www.njfb.org/parkingAndFoodMap.jpg>) identifies the three locations, and the location of the Statehouse Annex where the rally will be held.

1. Trenton Marriott – corner of Warren Street and Lafayette
2. TPA Public Garage – East Front Street, between Broad and Warren Streets
3. Public Parking Garage – Corner of Front and Broad Streets
4. State House Annex (Rally Site) – West State Street

Anyone driving into Trenton should take the Market Street exit off of Route 29. Turn left onto Warren Street, following the map, and proceed to one of the parking facilities.
